

PART 1: AS AN OWNER (Managing your business)

- **Dashboard:** View your total villas, booking stats, and simple charts.
- **Apartments:**
 - Add new villas or delete old ones.
 - Change prices and descriptions.
 - **Drag-and-Drop:** Use your mouse to move photos. The first photo is your main cover.
- **Bookings:** See all guest requests. You can click "Confirm" or "Cancel".
- **Settings:** Update your WhatsApp, email, and Instagram links.

PART 2: AS A GUEST (Testing the experience) Please open the website <https://balirent-phi.vercel.app/> and try to act like a tourist:

- **Search:** Is it easy to find a villa you like?
- **Calendar:** Try to pick dates. Is the calendar clear and easy to use?
- **Booking:** Fill out the form. Was it fast and simple?
- **Feedback:** Does the website feel professional? Would you like to add more details (like a list of rules or extra photos)?
